

First Semester Ticket Information - 2017

Ticket sales will start **Friday, September 1st at noon** online at www.showtix4u.com for all first semester concerts. All seats are assigned and tickets are only for the concert for which they were purchased so be very careful as to which concerts, dates and times you select. The box office will only be open in person starting 60 minutes prior to each concert; however, most concerts will sell out before the day of the concert. All advance ticket sales will only be online. We strongly suggest purchasing your tickets as soon as possible so you get the best possible seats and avoid missing out on a performance.
